

Make the Most of Our Corporate PD Edge+ Subscription

Our organization provides access to PD Edge+, the SOA's comprehensive professional development platform, and we encourage you to take full advantage of it. Make sure to log in to your SOA account to access your PD Edge+ content.

Whether you're looking to:

- Fulfill SOA and Academy continuing education requirements
- Build AI and predictive analytics skills
- Strengthen communication and leadership capabilities
- Explore emerging topics in Life, Health, General Insurance, and Reinsurance
- Upskill in focused, practical ways

What's Included:

- 38 full courses and 17 video series across 10 learning tracks
- 150+ short-form videos for quick learning bursts
- 70+ live webcasts annually (included at \$0 under our subscription)
- Major meeting recordings and symposium content
- SOA Meeting Discounts (Health, ValAct and ImpACT, virtual and in-person)
- Recently added: The full Predictive Analytics (Courses 1-8), and Advanced PA Certificate (Courses 9-12) programs – Built by leading actuaries and analytics experts, these courses deliver hands-on training in R programming, data management, model development, validation, and real-world implementation.

New and recent topics include:

- Artificial Intelligence
- AI for the C-Suite
- AI Agents
- Bias
- Professionalism
- IFRS 17
- The Actuary in the Model
- Storytelling and Influence
- Navigating Ambiguity
- General Insurance, Takaful, and more

You can access PD Edge+ from anywhere, desktop, tablet, or mobile, making it easy to:

- Learn on the go
- Watch short-form videos between meetings
- [Register for live webcasts](#)
- Assign or complete courses and generate Proof of Completion
- Host a team lunch and learn by broadcasting a live webcast or recorded session together

Reminder: To access our PD Edge+ subscription:

- [Log in](#) to your SOA Account
- Select Bio, Photo, Social Networks, and Employment & Demographics
- Ensure your Primary Employer is set to your company's name
