

[Professional Development Edge+](#) is a subscription-based product with high-quality and dynamic professional development content, including:

#### **ALL Live Webcasts**

The SOA produces approximately 70+ webcasts each year. Each live broadcast runs 60–90 minutes and covers actuaries' core competencies presented by experts in each topic.

#### **Recordings of Live Webcasts**

300+ recordings of the live webcasts from the past three years are available five business days after the live broadcast.

#### **Recordings of Live Conferences**

700+ recordings of live sessions from SOA's major meetings (ImpACT, Health, and Life/ValAct) held over the past three years covering various topics and will be available six months after the live event

#### **NEW! Learning Tracks**

Introducing ten Learning Tracks that cover key actuarial topics, including Artificial Intelligence, Influential Leadership, Investment, Life Insurance, Long-Term Care, Medicare, Retirement, General Insurance, Takaful, and Predictive Analytics. The courses within the learning tracks are designed with learning objectives, summaries, audio and video clips, and interactive knowledge check questions.

#### **Courses**

PD Edge+ offers a comprehensive catalog of 25 full courses and 17 video series, providing in-depth learning opportunities across a range of actuarial topics. PD Edge+ now includes **Predictive Analytics (Courses 1–8)** and **Advanced Predictive Analytics (Courses 9–12)**, identical to the now-retired certificate program.

#### **Short-form Professional Development Videos**

These short-form videos (5 to 15 minutes) align with the new learning tracks. A team of experts creates these standalone videos, which offer essential information to actuaries.

With a Corporate subscription, this subscription is accessible to all employees within the organization, irrespective of credentials or department.

You can activate your subscription if you already have an existing SOA account! If not, it is easy to create one by going to [soa.org](http://soa.org), choosing the “log in” option from the upper right, and following the prompts.

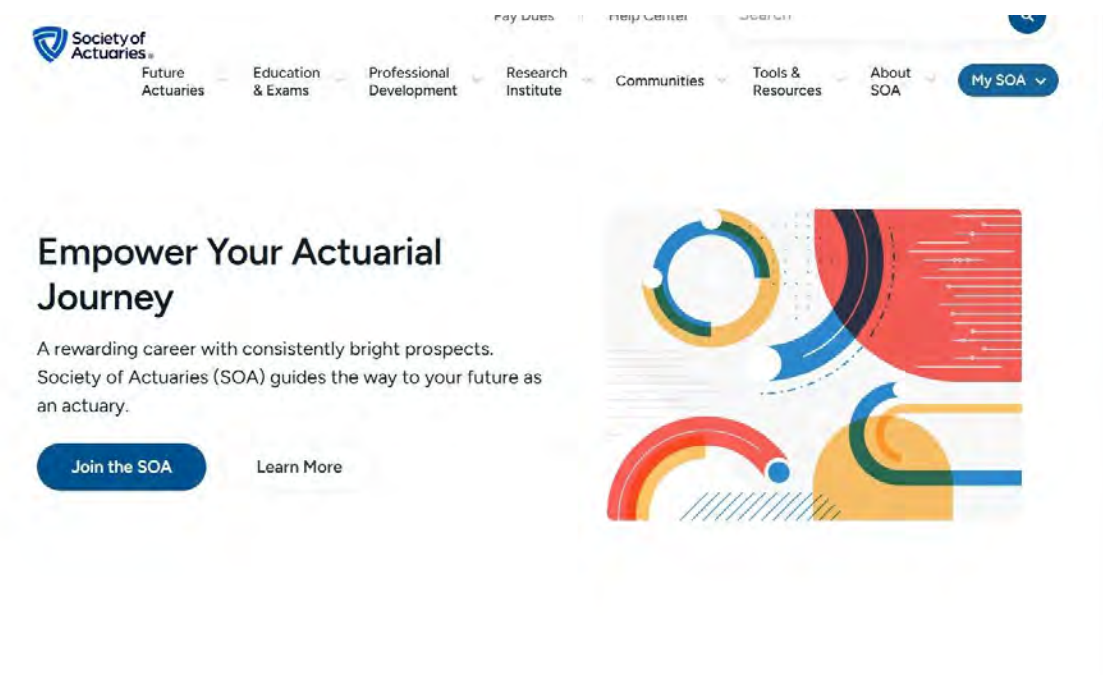

Feel free to utilize this content for self-upskilling, particularly if you're transitioning to another department. The SOA consistently updates Professional Development Edge+ with new content, so be sure to check in regularly or sign up for the [PD Edge+ Newsletter](#) for updates.

## PD Edge+ Access Instructions

### Live Webcasts & On Demand Content can now be accessed through one PD Edge+ link on the SOA Website

- Navigate to → **Professional Development** tab → **Professional Development Edge** → **Access PD Edge+**. Then select **Webcasts** for Live Webcasts or **My Professional Development** for On Demand Content. (Detailed screenshots on how to access are referenced further below)

To access your Subscription, visit [www.SOA.org](http://www.SOA.org). Click the “**Log in / My SOA**”

If you don't have an account, create one by clicking on the “**Log in/ My SOA**” button at the top right of the SOA Website. Then click “**Create an account**”.

Then, log in using your SOA.org credentials.

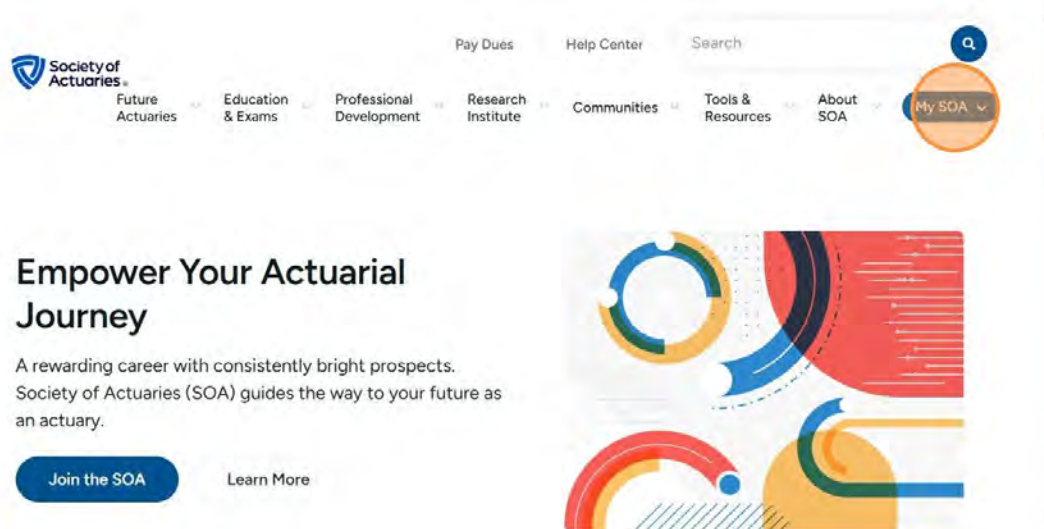

If you experience issues, contact [Customer Service](#).

To access the benefits of a Corporate PD Edge+ Subscription, individuals must connect their

account to their employer, who purchased the subscription. To do so:

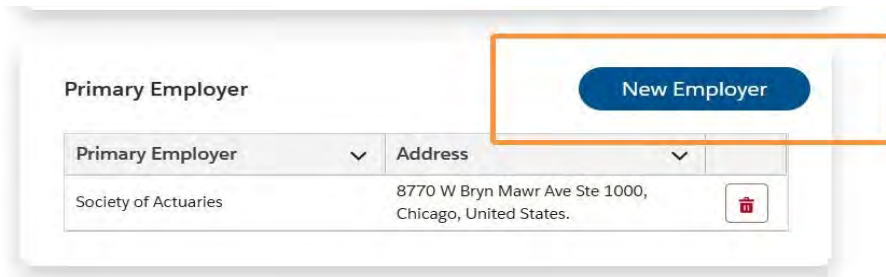

- Go to [www.soa.org](http://www.soa.org), click My SOA and log in.

- Select Account

- Click 'Bio, Photo, Social Networks, Employment, & Demographics' in your SOA Profile within your Account
- Add your employer as the **Primary Employer** if it is not already populated or update the employer if necessary.

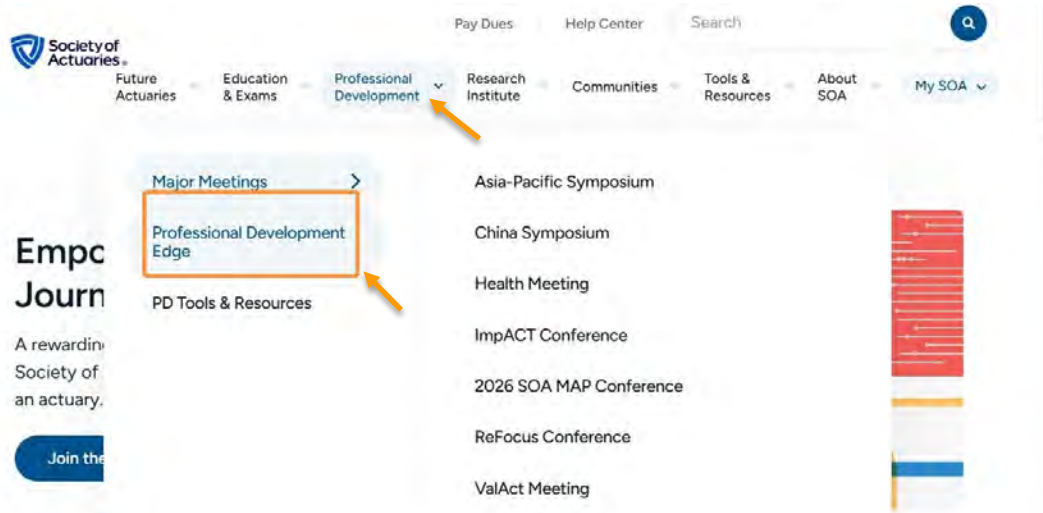

## Purchasing an Upcoming Live Webcast

The new process lets users register themselves, allowing each individual to participate in polling and the Q&A session. For the best experience, we recommend registering for a webcast at least a day in advance. You should be able to register for (all) live webcasts at the \$0 rate and access the recording library.

For the EA Credit process, you need to sign up and register for the webcast as an individual by selecting “PD Edge + Subscriber”. The instructions for EA-qualifying webcasts indicate that you need to complete the questionnaire when you log in to request EA credit. Or, if the individual is watching a broadcast version, the individual in attendance needs to fill out their own EA request form. Going forward, the individual should reach out to [EARequests@soa.org](mailto:EARequests@soa.org) for the form.
